# U.N. COMMUNIST NEST

**U. N. HIRES 20,000 MERCENARIES TO INVADE AND MURDER  
— U.S. TAXPAYERS PAY HALF THE BILL**

This article will correctly and carefully deal with the United Nation's leaders since it started. The illegitimate United Nations is the successor of the League of Nations, a Jewish creation. Dr. Klee, of New York, in a speech January 19th, 1936 stated:

"The League of Nations was in no sense the work of President Wilson. It is essentially a Jewish creation of which we Jews may be proud. The idea thereof goes back to the Wise Men of Israel. It is a product of pure Jewish culture."

Lucien Wolf, in his official report to the American Jewish Congress, as Jewish plenipotentiary to the Peace Congress, stated:

"If the League of Nations would collapse, the structure so laboriously built by the Jewish delegation of England and the United States in 1919 would also collapse."

At the start, U. N. Secretary Trygve Lie was picked by Stalin and forced into office by Andre Gromyko, Chief U. N. Soviet delegate, who used strong threats on the United Nations' delegates. Lie held office from 1946 to 1953. Trotsky, ex Jew Communist leader of Soviet Union, himself one of the leaders of the Comintern, stated in his work "Stalin and His Crimes" that Lie was a member of the Comintern. In fact Trotsky devotes a whole chapter to the subversive activities of Comrade Lie.

As soon as Lie took office he appointed Arkady Sobelev as his assistant Secretary-General. He appointed Dr. Ivan Kerns, a communist from Czechoslovakia, as Secretary-General for legal affairs; Henri Langier, another communist, as Attorney General for legal affairs. Lie also employed Gubitchev, the Soviet spy.

This condition has not changed to date. The U. N. is packed with communists. It is a nest of spies enjoying diplomatic immunity—they can park their cars in front of a fire hydrant or run you over and kill you, and cannot be arrested.

Every time Lie was asked if he was a communist, his reply was that he was an officer in the Norwegian Labor Party, but failed to state that party was part of Lenin's Third International. Lie spent years in Moscow working with Stalin.

Space will not permit us to give Lie's complete communist record, but it is plain the first Secretary-General of the United Nations was a top communist.

Lie's daughter married William Zeckendorf, Jr. He and his father are the Jew real estate tycoons who own downtown property in forty states.

Dag Hammarskjold, next Secretary-General, deceived many people. He had to be tied up with communism judging from only one of his activities.

Paul Bang Jensen, a top member of the United Nations, took testimony in Vienna from 81 Hungarians who escaped from

## BURMA RAT

U Thant, Secretary General of U.N.

Hungary during the 1956 revolution, several of whom were communists. Because their relatives in Hungary would be killed if the names became known, Jensen pledged he would not reveal their names. Hammarskjold demanded the names. Jensen knew Hammarskjold was the center of a communist nest and refused. Hammarskjold fired him. Jensen then exposed the United Nations as run by communists. Jensen was to testify before the United States Senate Internal Security Committee when communist agents kidnapped Jensen, held him for three days, and left him dead in the woods in New York.

Bo Gustav Hammarskjold, brother of Dag, is president of a group of men from several countries who put up one hundred million dollars in a Swiss bank to take over the mines in Katanga. At this time, Dag was killed in an airplane crash while a desperate effort was being made to crush Katanga so his brother could grab the most valuable mines in the world. Dag, no doubt, was a crook.

In Bo Gustav Hammarskjold's corporation, Sture Linner, Chief of Civil Operations for the U. N. in the Congo, controlled U. N. policy regarding Katanga. Fowler Hamilton, our United States foreign aid chief was also a member, and he turned foreign aid money over to the U. N. for war on Katanga. Under Secretary, George Ball, was also involved up to his neck. The State Dept. is hellbent to break down Katanga using our taxpayer's money.

Now we come to U. Thant, that Burma red who is here in the United States directing the spending of our taxpayer's money, attacking Katanga to force them under communism which the Congo set up.

It is hard to believe we live in a time when a man from Burma can use our money, soldiers, bombers and jet fighters to murder people in Katanga, and the television, which cooperates with this world government outfit, states that it was "self defense."

Kennedy was asked by the State Department who controls him in foreign activities to send more help for the U. N. in the Congo.

Kennedy (or his advisors), to be in the clear with the gullible public, sent Lt. Gen. Louis Truman as head of a military mission to the Congo to investigate and report to Kennedy.

First, General Truman was sent to U Thant in New York City where Thant and the communist-identified Ralph Bunche instructed Truman as to the report he was to bring back. Truman knew then what he was going to do, for he took along 35 advisors and technicians which he left to help crush Katanga. Truman stayed one day in the Congo then returned, advising Kennedy to send trucks, 20 2½-ton trucks, three transport planes and much other equipment, for the bloody aggression under a communist, E. D. Kiselev, U.S.S.R. in the U. N. This had to be rushed through before Congress was to meet on January 9th.

Thant says he worked out a peaceful settlement between Indonesia and the Dutch. In cooperation with the State Dept., the United Nations pulled the same stunt it has done many times before. It forced the Dutch to give up New Guinea to Sukarno, the communist head of Indonesia.

As soon as Thant was elected Secretary-General, he appointed Eugeny Kiselev, communist of the U.S.S.R., and Ralph Bunche, a negro who has been identified in sworn testimony by two former communists as having attended many communist meetings with them. These two were appointed as close assistants to U. Thant. Thant is very strong for accepting red China as a member of the United Nations. Thant says the U. N. will grow stronger and stronger until it becomes a super-state or world government.

Before coming to the U. N., Thant was publicity director for the left red organization "Peoples Freedom League" in Burma.

The United Nations' charter states the U. N. is not to interfere in any nation and here we have a situation where 20,000 troops from different countries, with the latest weapons, attack Katanga who wants to be independent and separate. Seven of the Irish troops were eaten by the Congolese. Several hundred members of the Congo government, most of whom cannot read or write, are drawing \$30,000 a year, which is more than our Congressmen get, and this

Congo operation is costing 12 million dollars a month, most of which comes out of the pockets of our taxpayers.

These U. N. schemers, by forcing Moise Tshombe to bring Katanga under the Congo government can use the funds derived from copper and cobalt mines in Katanga. The U. N. goes all out against a little country like Katanga, but ignores Hungary where the people are suffering under communism.

Thant leased an expensive apartment in New York and in a few months was evicted and sued for \$5000 for wrecking the apartment—which reminds us of Castro and his group when they came to the U. N. and were staying at Hotel Teresa in Harlem—they left chicken feathers all over the apartment.

Victor Gollancz, member of the British Socialist Party in 1939, made the following two statements:

"The great ideal of Judaism is that the whole world shall be imbued with the Jewish teachings and that in a Universal Brotherhood of Nations—a greater Judaism, in fact—all the separate races and religions shall disappear." (The Jewish World of 9th February 1883).

"The ultimate aim should be that Judaism, Christianity and all other religions should vanish, and should give place to one great ethical world religion, the brotherhood of man." (British Jewish Chronicle of April 16, 1948).

James P. Warburg, German born Jew, before the U. S. Senate, February 17, 1950 stated:

"You will have World Government whether you like it or not, if not by consent by conquest."

According to Dispatch, August 1, 1945, Pasvolsky, who drew up the United Nations Charter, is a Russian-born Jew who has become one of the leading advisers of the U. S. government. Of him the well-known American columnist, Arthur Sears Henning, has written in the Chicago Daily Tribune as follows:

"Leo Pasvolsky, Russian born ardent internationalist, knows more about the new League of Nations to preserve peace than any other person in the world. That's because he wrote the first draft of the charter of the World Peace League and attended its revision and amplification all the way from the first day of the Dumbarton Oaks Conference to the last day of the San Francisco Conference. He bids for fame as father of the Charter . . . . President Truman has appointed Stettinius the United States Representative in the World Peace League. And Pasvolsky is to go right with Stettinius to the capital of the league when it is selected, to guide the American delegate through the maze of the charter and provide him with the answers to the questions which will arise. For Pasvolsky knows all the answers, can even give them before the questions are asked . . . . He was brought into the department as an economist . . . . and successively advanced to the highest rank, outside of those positions filled by Presidential appointment subject to Senate confirmation. Pasvolsky, now a naturalized American Citizen, was born at Pavlograd, Russia, 1893, and came to this country with his parents in 1905 . . . . He has published several works on Russia including the 'Economics of Communism'."

Alger Hiss worked with Pasvolsky in setting up the U. N. charter, and Hiss hired the first 500 employees which have now grown to 4500, mainly a nest of spies, Bolsheviks and traitors.

Following are a few quotations which substantiate the above:

"All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples." (The Talmud, Schulchan Aruch, Choszen Hamisphat 348).

## UNITED NATIONS BUILDING

DEN of INIQUITY — TOWER of BABEL

"The promise of Jehovah for the Jewish people to rule the world, and for the Jews to hold high places in the World Government has arrived." (Morris A. Levy, Secretary of the World League of Liberal Jews, in a letter dated October 24, 1946).

"The League of Nations is a Jewish idea. We created it after a fight of twenty five years. Jerusalem will one day become the capital of world peace." (Nahum Sokolov, in 1922, at the Carlsbad Zionist Congress).

The Jewish World of March 10, 1927, reports Nathan Strauss as saying:

"Jerusalem will be the Peace Capital of the World."

"Jerusalem is not only the capital of Israel and world Jewry; it aspires to become the spiritual centre of the world as envisaged by the Prophets." (Ben-Gurion, Israel's present Prime Minister, as reported in the London Jewish Chronicle of December 16, 1949).

U Thant has just been elected for a term of six years. These facts should arouse any good patriotic American to bring this situation to the attention of their friends so good Americans concentrate on the United Nations and U. Thant and run both out of the United States.

The State Department working with U. Thant has been rushing the bloody aggression on Katanga to crush them before Jan. 9th when Congress meets. Nine Senators signed a protest against State Dept. for their action against Tshombe.

## WHO RUNS UNITED NATIONS?

In our issue 146, Sept. 1, 1951, we published a partial list of the Jews, heads of departments in the United Nations at that time. Likely they have a stronger hold on the U. N. today, remaining quiet and busy among the 4500 employees. Believing this is of interest to the subscribers since 1951, we republish.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by Moscow, to merge into one giant "Super State."

Plans call for giving to the U.N.O. all atom, hydrogen bombs—armies—navies—air forces, for they are "too dangerous to be left in the control of any power or group of powers." Ultimately the U.N.O. Army and atom bomb force, operating from Jerusalem, will be used to stamp out any Gentile revolt. The Jewish U.N.O. will be supreme and anything which can be interpreted as "anti-Semitism" (U.N.O. Genocide Convention, drafted by the Polish Jew Professor Raphael Lemkin, now on the staff of Yale University will cover the "crime") will be punishable by prison or death.

Because the rule of the U. S. S. R., as outlined in COMMON SENSE'S issue No. 143 which listed Jews in key spots in Communist

countries, so neatly interlocks with the United Nations Organization, a partial listing of Jews in the U.N.O. is now being published.

In Los Angeles there is a publication called "The California Jewish Voice," and the masthead carries these words: "Largest Jewish circulation in the West." The editor, Sam B. Gach, in the issue of October 26, 1962, devotes a whole front page column, 21 inches long, to attacking me. Sam, be careful! Becoming excited like that is bad on the heart.

We read all the Jewish publications and all are the same. They have all been pulling for communism until about 1948, when it appeared that Bolshevism might not take over the world—and the Jews did not want to be on the losing side, so they began to soft-pedal.

Here is a sample of Mr. Gach in Jewish Voice, August 1941. This is the kind of people who smear us and want to control our government.

## Lenin's Heritage

This month thousands of workers and progressive people throughout the world commemorate the death of the immortal theoretician, inspirer, organizer and fighter for the freedom of humanity, Vladimir Ilyich Lenin.

Lenin led the people of Russia from the dark night of tsarism to the highest stage of democracy. Lenin and his disciple and continuator Stalin guided the Russian people in the building of the great Union of Soviet Socialist Republics. Today all of humanity benefits from the moral and political unity, the courage and heroism, the resourcefulness and fighting ability of the Soviet people who are inflicting such significant blows against the spine of the entire Axis—Hitler's armies.

In the spirit of the Lenin heritage the Soviet Union has been first in many things. The Soviet Union has been the first to puncture the myth of Nazi invincibility, the first to wipe out the Fifth Column and render it ineffective, the first to teach Hitler's mechanized brutes the reality of retreat. The Soviet Union was the first country in which woman was fully emancipated, in which women took their place as equal, unrestricted builders of their land, economy and culture.

The Jewish people will never forget that the Soviet Union was the first country—and as yet the only country in the world—in which anti-Semitism is a crime.

Lenin's heritage is the heritage of complete equal rights for all peoples, of the abolition of national oppression. On this Lenin Memorial it is well to recall and reread the great documents of national freedom proclaimed by Lenin and Stalin with the dawn of the young Soviet Socialist Republics. These documents translated into life under the leadership of Stalin have guided one sixth of the surface of the earth from a prison of nations to the country in which millions of our brother Jews greeted their first dawn of freedom in security and equality.

We publish part of the decree on the uprooting of anti-Semitism, issued by Lenin on Aug. 9, 1918 and part of Joseph Stalin's statement on anti-Semitism to the Jewish Telegraphic Agency on Jan. 12, 1931.

16

Here is another nice one in Gach's paper:

Dr. Louis Reynolds, writing in California Jewish Voice, July 5th, 1946, stated: "I cannot conceive of any Jew in the role of an enemy of the Soviet Union. To me such a Jew is a monstrosity, a travesty of everything that is decent and right."

### "We will bury you"

"We do not negotiate on the basis of the 'give-and-take' principle. We have nothing whatsoever to 'give'—we will not make any concessions, because our proposals do not form the basis for a barter deal."

(Khrushchev's speech in Tirana, May 30, 1959)

## Bunche Faces Pair Who Tie Him to Reds

By ROBERT PARKER

Dr. Ralph J. Bunche, head of the United Nations Trusteeship Department, dramatically faced two accusers for more than 10 hours yesterday as a five-man U. S. loyalty board started closed door hearings on Communist infiltration of the UN staff.

Details of the meeting were not disclosed by late last night with the session still under way. But it was known that Bunche Nobel

Dr. Ralph Bunche  
10 hours before probes

Peace Prize winner, was brought face to face with two former Negro Communist leaders—Manning Johnson and Leonard Patterson—who accused him of Red sympathies and belonging to Communist front organizations.

## WHO SMEARS US?

We have been smeared for so long we seldom read through the ridiculous things, and 90% of them go in the waste basket.

The Jews have brought attacks on themselves down through the years in every country of any consequence. They keep crying persecution, but never explain why they are the only people who experience this. The Jews would have us believe they are right and the whole world is wrong. Being aware of their guilt for hundreds of years in Europe, when it appears that some one in the U. S. is going to expose them, they are so touchy they become hysterical. They remember being run out of practically every country in Europe—four times out of England.

# The Jewish Question

The Jewish question is the most important question before the world, not excepting the hydrogen bomb, war, juvenile delinquency, and what is known as Communism (Bolshevism). Thousands of people know this, and millions of people in the world know the Jews have been at the bottom of all movements which have disrupted governments. All the time and money spent in combatting Communism is wasted if we are to allow the Jews to keep hidden their part in bringing about the frightening situation facing the United States.

It is extremely important that people who do sound thinking understand what happened in Europe during the many years past; why the Jews abandoned Europe and have been swarming into the United States, South America and other countries. It is important because these same Jews who ruined Europe, and brought about the death of millions of people in two world wars, are right in these United States today and boast that never in the history of the world have they had so much power.

The Jews have used their influence on the Immigration Dept. to prevent the public from realizing there are at least 13 million Jews in the United States today, four million illegally.

In their Jewish publications, whenever they refer to their population, they say their number amounts to about 5½ million. This, of course, is ridiculous, but they do this for two reasons: (1) They must account for the six million Jews killed in Germany (which number is, of course, false, the number of Jews dying from the bombings and other causes, having amounted to some 300,000). Compare this with 30 million non-Jews who were killed by the Jewish-controlled Soviet Union before the U. S. was forced into the war by the American Jews to save communism. (2) The Jews do not want to excite the American people through the latter's realization that there is such a large number of Jews in the country.

During 1940 and 1941, a number of polls were taken—one of them by the New York NEWS, the largest paper in America—these polls showed that 83% of the population were opposed to the U. S. going into the war; but the hysterical Jews, with the backing of the Roosevelt Administration which they controlled, and with newspapers not daring to go against them for fear of becoming bankrupt through loss of advertisers, led us into the war, regardless.

It is well to realize that today, with twice the number of Jews in the U. S. and with the added power of television, which they completely control, they are in a position to push us into another war—or prevent us from protecting ourselves against a ruthless nation.

We have proof by the thousands of the fact that they, and they alone, financed and set up communism in Russia in 1917 and then spread it over the world, and that they are a Christian-hating world conspiracy. This, regardless of all their brotherhood campaigns.

The above gives you the reason that COMMON SENSE constantly gives you proof of this anti-Christian conspiracy.

## THE TESTIMONY OF THE BRITISH GOVERNMENT

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact. . . I consider that the immediate suppression of Bolshevism is the greatest issue now before the world. . . and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things."

- Confidential report of Britain's representative in Russia quoted in the White Paper entitled Russia No. 1 (1919), A Collection of Reports on Bolshevism in Russia issued by the British War Cabinet in January 1919.

## THE TESTIMONY OF THE RUSSIAN GOVERNMENT

"The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when, after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement . . . has also a quite definite international character. . . One is bound to the conclusion that there are foreign capitalists' organizations which are interested in supporting our revolutionary movement. . . If we add to the above that, as has been proved beyond any doubt, a very considerable part among these heterogeneous nationalities is played by Jews, who, as ringleaders in other organizations, as well as through their own, have always come forward as the most bellicose element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles. . . Moreover, certain very significant facts . . . quite confirm the obvious connection of the Russian revolutionary movement with foreign Jewish organizations."

- Confidential report of Count Lamsdorf, Russian Foreign Minister, to the Czar Nicholas II, quoted in full in the American Hebrew and Jewish Messenger of July 13, 1918.

## THE TESTIMONY OF THE AMERICAN GOVERNMENT

"In February, 1916, it was first discovered that a revolution was being fomented in Russia. It was found out that the following persons as well as the banking-house mentioned were engaged in this work of destruction: Jacob Schiff (Jew); Guggenheim (Jew); Max Breitung (Jew); Kuhn, Loeb & Co. (Jewish Banking-house), of which the following are the directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S. H. Hanauer (all Jews). There can be no doubt that the Russian revolution, which broke out a year after the information given above had been received, was launched and fomented by distinctively Jewish influences. As a matter of fact, in April, 1917, Jacob Schiff made a public declaration that it was thanks to his financial help that the Russian revolution had succeeded. In the spring of 1917, Jacob Schiff began to supply funds to Trotsky (Jew) to bring about the social revolution in Russia. . . Through Stockholm, the Jew, Max Warburg, was likewise furnishing funds to Trotsky and Co. . . Thus the communications were set up between the Jewish multi-millionaires and the Jewish proletarians. . . It will be manifest that the Bolshevik movement is in a certain measure the expression of a general Jewish movement and that certain Jewish banking-houses are interested in the organization of this movement."

- Report of the United States Secret Service on the financing of the Russian Revolution sent by the U.S. Government to all the Allied Governments of World War I.

## 'THE RED GUILLOTINE'

### She's A Woman, 60, But Widely Feared

By Nino Lo Bello  
Greensboro Daily News, Oct. 21, 1962

BERLIN, Oct. 20—Her name is Hilde Benjamin, and her title is Minister of Justice for East Germany. To the Germans, however, she is "The Red Guillotine"—and well the most feared executioner in any of the Communist satellite countries.

Frau Benjamin, now 60, earned her odious nickname in November, 1950, when in the period of one week she guillotined 41 persons, two of them pregnant women, who had tried to sneak into West Germany. Since then the blood-stained witch (another friendly appellation she's known by) has chopped the heads off more than a thousand people to show her Moscow bosses she knows how to carry out the law.

The Ministry of Justice keeps the official government blade in the cellar of the menacing greystone People's Court Building on Rathausstrasse. According to East German law, all decapitations must be supervised by the Minister herself. Moments before she nods for the heavy ax to be released, Frau Benjamin usually engages the condemned in quiet conversation.

#### Lives Alone

Hilde Benjamin lives by herself today, forever surrounded by three huge bodyguards who keep an around-the-clock eye on her.

Two top communists in East Germany are Hilde Benjamin and Gerhardt Eisler (public relations chief), both Jews.

## ARE WE TO SUPPORT THE WORLD?

When the government cannot collect the money quick enough from the taxpayers, they borrow from Wall Street bankers. The interest on that is NINE BILLION a year and the taxpayer must pay this also. It is now known that the money we gave to the Latin American countries was used to pay their debts to European countries.

HAVE YOU HAD ENOUGH?

## KENNEDY-ROOSEVELT

This article is interesting in view of the fact Kennedy pledged himself at Roosevelt's grave to take up the banner where FDR laid it down.

Hon. William Lemke of North Dakota in the House of Representatives, Saturday, July 26, 1947.

Mr. Lemke. Mr. Speaker,

We entered World War II—a war that others started and we finished. That war, to date, has cost us over \$450 billion. We collected \$190 billion in taxes, and plunged the Nation \$260 billion into the red. Our national debt, with future obligations, now amounts to some \$623 billion. This is about four times the total indebtedness of all the other nations. It is more than twice the normal value of all the property in the United States. The end is not yet. If we continue this international lunacy, then it will be just the beginning.

The total expenditures of our Government, from its birth in 1776 to 1933, were less than \$90 billion. This included the Revolutionary War, the War of 1812, the Mexican War, the Indian Wars, the Civil War, the Spanish-American War and World War I, up to 1933, and, in addition, all the other functions of our Government. Compare this \$90 billion with the over \$887 billion spent in the last 15 years—the Roosevelt global era.

## A Great American Is Gone

Merwin K. Hart, one of the top real Americans of today, died November 30, 1962 at the age of 80.

Mr. Hart founded the National Economic Council in 1930 and has done a most remarkable work in correctly informing many people on the meaning of Americanism. He had courage, ability, and used good judgment in fighting his many battles for his Country.

We trust proper arrangements will be made to carry on the patriotic work started by Mr. Hart.

## Americanism . . . defined

IF you want your father to take care of you, that's Paternalism.

IF you want your mother to take care of you, that's Maternalism.

IF you want Uncle Sam to take care of you, that's Socialism.

IF you want your comrades to take care of you, that's Communism.

BUT

IF you want to take care of yourself, that's AMERICANISM.
